

2" X 2" X 1.5" Gen-Sep

Part # 1020200

Centek Gen-Seps™ divert the exhaust gas and cooling water to separate outboard ports. Must be used in conjunction with a Vernalift™ muffler. Gen-Seps™ provide additional sound attenuation. The inlets and outlets are available in other configurations. Contact Centek Engineering Department for more details.

Gen-Sep™ Family

MATERIALS AND CONSTRUCTION

| | |
|---------|--|
| Process | Filament Winding CNC, Resin Transfer Molding |
| Resin | Class 1 Fire Retardant Epoxy Vinyl Ester Thermoset |
| Glass | Corrosion-Resistant E Glass |

ATTRIBUTES

| | |
|-------------------------------|--|
| A1 - Inlet - Outlet (IN / MM) | 2.00 / 51 - 2.00 / 51 |
| A2 - Drain (IN / MM) | 1.50 / 38 |
| H - Height (IN / MM) | 15.63 / 397 |
| J - Width (IN / MM) | 12.38 / 314 |
| K - Depth (IN / MM) | 5.38 / 137 |
| Color | Standard White; Black, Gel-Coat, Yacht Quality, Yacht Quality Plus Available |
| Approvals | Lloyd's Register Type Approval |
| Flame Retardancy | UL94V-0 |
